The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration

Los Angeles, CA 90012

Dear Supervisors:

**PROPOSED STORMWATER AND RUNOFF POLLUTION CONTROL PROGRAM
SERVICE AGREEMENT WITH CITY OF HAWAIIAN GARDENS
SUPERVISORIAL DISTRICT 4
3 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Chairman to sign the enclosed Stormwater and Runoff Pollution Control Program Service Agreement with the City of Hawaiian Gardens (Exhibit 1). The Agreement would provide stormwater inspection services to the City at an estimated cost of \$6,400 per each round of inspections. The cost will be reimbursed by the City to the County with no net impact to the County General Fund.
2. Instruct the Director of Public Works to provide the services described in the enclosed Agreement for the City of Hawaiian Gardens. The Agreement will become effective on the date the Board of Supervisors approves this Agreement.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Pursuant to the Federal Clean Water Act and the Porter-Cologne Water Quality Control Act, the County and 84 incorporated cities, including the City of Hawaiian Gardens, were issued National Pollutant Discharge Elimination System Permit No. CAS004001

for Municipal Storm Water and Urban Runoff Discharges within the County of Los Angeles. Under the NPDES Permit, each permittee is required to implement additional, new requirements to establish a program of pollutant reduction and control measures at industrial and commercial facilities. Each permittee is required to track, inspect, and ensure compliance at industrial and commercial facilities within its jurisdictional boundaries that are critical sources of pollutants in stormwater runoff. Public Works has developed and implemented the Program within the unincorporated County area to meet the NPDES Permit requirements. In response to requests from a number of cities, Public Works is prepared to provide such services to cities on a cost basis.

The City Council of the City of Hawaiian Gardens, by its Resolution No. 42-2004 (Exhibit 2), has requested that these services be provided to their City under the Stormwater and Runoff Pollution Control Service Agreement to track, inspect, and ensure compliance with the City's Stormwater and Runoff Pollution Control Ordinance at industrial and commercial facilities within the City that are critical sources of pollutants in stormwater runoff.

The proposed Agreement is hereby submitted and recommended for your Board's approval to provide the requested services.

Implementation of Strategic Plan Goals

This action is consistent with the County Strategic Plan Goal of Fiscal Responsibility as the proposed Agreement will enable Public Works to integrate services provided to the City in a cost-effective manner at no net County cost. It also satisfies the goal of Service Excellence since protecting our streets, storm drains, rivers, streams, surface waters, and oceans from the discharge of pollutants improves the quality of life in the County and provides services which are beneficial and responsive.

FISCAL IMPACT/FINANCING

The County will bear an estimated \$6,400 per year to provide inspection services to the City. Sufficient appropriation was included in the proposed 2004-05 County Engineer General Fund Services and supplies budget to cover the salaries of the inspectors. The terms of the Agreement specify that the City will reimburse the County for the costs of services provided at rates determined and adjusted annually by the Auditor-Controller with no net impact to the County General Fund. The requested services can be provided utilizing currently budgeted resources.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Agreement aids in the extension of the Program to areas within the City of Hawaiian Gardens for the protection of County and City streets, storm drains, rivers, streams, surface waters, and oceans from the discharge of pollutants in stormwater runoff from industrial and commercial facilities. Failure to implement the Program may increase the risk of pollutant discharges to waters of the County and require that the City develop an independent program or be subject to fines and potential third-party lawsuits for failure to prevent such discharges.

The Agreement is authorized by Section 56-1/2 of the Charter of the County of Los Angeles and Section 51301 et seq. of the California Government Code.

County Counsel has approved the Agreement as to form; and a 90-day cancellation provision, consistent with Board policy, is included. The Agreement also incorporates by reference the Assumption of Liability Section of the City's General Services Agreement as previously approved by the Board on September 5, 2000 (Exhibit 3).

ENVIRONMENTAL DOCUMENTATION

A finding of environmental impact is not required for adopting this Agreement because it does not constitute a "project" under the California Environmental Quality Act (CEQA).

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The proposed Agreement will not impact current services as we will utilize the same personnel currently providing services to the City under the existing Industrial Waste Control Program that was previously approved by the Board on April 14, 1964 (Exhibit 4).

The Honorable Board of Supervisors
August 12, 2004

CONCLUSION

It is requested that one original and one conformed copy of the approved Agreement be returned to Public Works, one copy of which will be delivered to the designated City official, together with two approved copies of this letter.

Respectfully submitted,

City General Services Agreement

GENERAL SERVICES AGREEMENT

Exp 6/30/05

THIS AGREEMENT, dated for purposes of reference only, ~~June 29~~ ^{September 5,} 2000, is made by and between the County of Los Angeles, hereinafter referred to as the "County", and the City of Hawaiian Gardens, hereinafter referred to as the "City."

RECITALS:

(a) The City is desirous of contracting with the County for the performance by its appropriate officers and employees of City functions.

(b) The County is agreeable to performing such services on the terms and conditions hereinafter set forth.

(c) Such contracts are authorized and provided for by the provisions of Section 56½ of the Charter of the County of Los Angeles and Section 51300, et seq., of the Government Code.

THEREFORE, THE PARTIES MUTUALLY AGREE AS FOLLOWS:

1. The County agrees, through its officers and employees, to perform those City functions which are hereinafter provided for.

2. The City shall pay for such services as are provided under this agreement at rates to be determined by the County Auditor-Controller in accordance with the policies and procedures established by the Board of Supervisors.

These rates shall be readjusted by the County Auditor-Controller annually effective the first day of July of each year to reflect the cost of such service in accordance with the policies and procedures for the determination of such rates as adopted by the Board of Supervisors of County.

3. No County officer or department shall perform for said City any function not coming within the scope of the duties of such officer or department in performing services for the County.

4. No service shall be performed hereunder unless the City shall have available funds previously appropriated to cover the cost thereof.

5. No function or service shall be performed hereunder by any County officer or department unless such function or service shall have been requested in writing by the City on order of the City Council thereof or such officer as it may designate and approved by the Board of Supervisors of the County, or such officer as it may designate, and each such service or function shall be performed at the times and under circumstances which do not interfere with the performance of regular County operations.

6. Whenever the County and City mutually agree as to the necessity for any such County officer or department to maintain administrative headquarters in the City, the City shall furnish at its own cost and expense all necessary office space, furniture, and furnishings, office supplies, janitorial service, telephone, light, water, and other utilities. In all instances where special supplies, stationery, notices, forms and the like must be issued in the name of the City, the same shall be supplied by the City at its expense.

It is expressly understood that in the event a local administrative office is maintained in the City for any such County officer or department, such quarters may be used by the County officer or department in connection with the performance of its duties in territory outside the City and adjacent thereto provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

7. All persons employed in the performance of such services and functions for the City shall be County employees, and no City employee as such shall be taken over by the County, and no person employed hereunder shall have any City pension, civil service, or other status or right.

For the purpose of performing such services and functions, and for the purpose of giving official status to the performance hereof, every County officer and employee engaged in performing any such service or function shall be deemed to be an officer or employee of said City while performing service for the City within the scope of this agreement.

8. The City shall not be called upon to assume any liability for the direct payment of any salary, wages or other compensation to any County personnel performing services hereunder for the City, or any liability other than that provided for in this agreement.

Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee for injury or sickness arising out of his employment.

9. The parties hereto have executed an Assumption of Liability Agreement approved by the Board of Supervisors on December 27, 1977 and/or a Joint Indemnity Agreement approved by the Board of Supervisors on October 8, 1991. Whichever of these documents the City has signed later in time is currently in effect and hereby made a part of and incorporated into this agreement as of set out in full herein. In the event that the Board of Supervisors later approves a revised Joint Indemnity Agreement and the City executes the revised agreement, the subsequent agreement as of its effective date shall supersede the agreement previously in effect between the parties hereto.

10. Each County officer or department performing any service for the City provided for herein shall keep reasonably itemized and in detail work or job records covering the cost of all services performed, including salary, wages and other compensation for labor; supervision and planning, plus overhead, the reasonable rental value of all County-owned machinery and equipment, rental paid for all rented machinery or equipment, together with the cost of an operator thereof when furnished with said machinery or equipment, the cost of all machinery and supplies furnished by the County, reasonable handling charges, and all additional items of expense incidental to the performance of such function or service.

11. All work done hereunder is subject to the limitations of the provisions of Section 23008 of the Government Code, and in accordance therewith, before any work is done or services rendered pursuant hereto, an amount equal to the cost or an amount 10% in excess of the estimated cost must be reserved by the City from its funds to insure payment for work, services or materials provided hereunder.

12. The County shall render to the City at the close of each calendar month an itemized invoice which covers all services performed during said month, and the City shall pay County therefore within thirty (30) days after date of said invoice.

If such payment is not delivered to the County office which is described on said invoice within thirty (30) days after the date of the invoice, the County is entitled to recover interest thereon. Said interest shall be at the rate of seven (7) percent per annum or any portion thereof calculated from the last day of the month in which the services were performed.

13. Notwithstanding the provisions of Government Code Section 907, if such payment is not delivered to the County office which is described on said invoice within thirty (30) days after the date of the invoice, the County may satisfy such indebtedness, including interest thereon, from any funds of any such City on deposit with the County

without giving further notice to said City of County's intention to do so.

14. This contract shall become effective on the date herein-above first mentioned and shall run for a period ending June 30, 2005, and at the option of the City Council of the City, with the consent of the Board of Supervisors of County, shall be renewable thereafter for an additional period of not to exceed five (5) years.

15. In event the City desires to renew this agreement for said five-year period, the City Council shall not later than the last day of May 2005, notify the Board of Supervisors of County that it wishes to renew the same, whereupon the Board of Supervisors, not later than the last day of June 2005, shall notify the City Council in writing of its willingness to accept such renewal. Otherwise such agreement shall finally terminate at the end of the aforescribed period.

Notwithstanding the provisions of this paragraph hereinabove set forth, the County may terminate this agreement at any time by giving thirty (30) days' prior written notice to the City. The City may terminate this agreement as of the first day of July of any year upon thirty (30) days' prior written notice to the County.

16. This agreement is designed to cover miscellaneous and sundry services which may be supplied by the County of Los Angeles and the various departments thereof. In event there now exists or there is hereafter adopted a specific contract between the City and the County with respect to specific services, such contract with respect to specific services shall be controlling as to the duties and obligations of the parties anything herein to the contrary notwithstanding, unless such special contract adopts the provisions hereof by reference.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their duly authorized officers.

3 the negligent or wrongful act or omission of city officers, agents
4 or employees occurring in the performance of agreements between
5 the parties, except as hereinafter provided,

6 NOW, THEREFORE, IT IS AGREED AS FOLLOWS:

7 1. The County will assume liability and defend and
8 hold the City harmless from loss, costs or expenses caused
9 by the negligent or wrongful act or omission of County
10 officers, agents and employees occurring in the performance
11 of agreements between the parties hereto to the extent that
12 such liability is imposed on the City by the provisions of
13 §895.2 of the Government Code of the State of California.

14 2. The City will assume liability and defend and hold
15 the County harmless from loss, costs or expenses caused by

3. The parties further agree that the Auditor-Controller of the County shall establish a fund for the payment of losses for which the County may be liable under the terms of this agreement, and the County agrees to maintain the fund for the purpose of paying such losses which may occur through its performance under agreements to provide city services to the cities within the County.

1 4. It is understood by the parties that the fund
2 referred to in paragraph 3 above is under the full control
3 of the Board of Supervisors and reappropriation of unen-
4 cumbered year-end balances in this fund is discretionary
5 with the Board of Supervisors.

6 5. The City agrees to make payment to the fund, and
7 the County agrees to require each city receiving services
8 under City Service Agreements to also contribute to the fund.
9 Payments towards the total amount of the fund shall be made
10 by the City in such amounts as may be established by the
11 Auditor-Controller according to the policy and procedure
12 established by the Board of Supervisors, and in the same
13 ratio as the cost of services received by the City is to the
14 total cost to the County for its performance of City Service
15 Agreements during each fiscal year. In the event that City
16 should elect to terminate its Service Agreement with the
17 County, its responsibility to contribute to the fund pursuant

7. 2 extensions thereof, wherein the City and County have con-
3 tracted under circumstances wherein the liability of the City
4 and County is joint and several under §895.2 of the Govern-
5 ment Code of the State of California. The provisions of this
6 agreement shall supersede and control over any other provi-
7 sions inconsistent therewith in any such contract, heretofore
8 or hereafter entered into by and between the parties hereto,
9 unless by specific reference therein this Assumption of
10 Liability Agreement is inapplicable.

6 agreement.

7 (c) Upon the County's election in its absolute

W I T N E S S E T H:

THAT WHEREAS, the City has heretofore, on April 14, 1964 adopted ordinance number 1 amending an ordinance entitled "Sanitation and Health" by adding a new division entitled "Sanitary Sewers and Industrial Waste"; and

WHEREAS, the City is desirous of contracting with the County for the enforcement of such ordinance provisions and the performance of services with respect to industrial waste as in said ordinance set forth; and

WHEREAS, the County of Los Angeles is agreeable to rendering such services on the terms and conditions hereinafter set forth; and

WHEREAS, such contract is authorized and provided for by the provisions of Section 56½ of the Charter of the County of Los Angeles and Article 1, Chapter 1, Part 2, Division 1, Title 5 of the Government Code;

NOW, THEREFORE, IT IS AGREED as follows:

1. The County agrees, through the Engineer of the County of Los Angeles, to provide enforcement of the industrial waste provisions of the above referred to city ordinance and the necessary services incident thereto.

APPROVED BY BOARD OF SUPERVISORS

APR 14 1964

Gordon T. Nesvig
GORDON T. Nesvig
Clerk of the Board

Such services shall only encompass duties and functions of the type coming within the jurisdiction of, and customarily rendered by, the County Engineer of the County of Los Angeles under the Charter of said County, the statutes of the State, and the various County ordinances.

The level of service provided shall be that same basic level of service that now is and shall be hereafter during the term of this agreement provided for unincorporated areas of the County of Los Angeles by said Engineer.

The rendition of such services, the standards of performance, and other matters incidental to the performance of such services, including the controlling of personnel so employed, shall remain in the County. In the event of dispute between the parties as to the extent of the duties and functions to be rendered hereunder, or the level or manner of performance of such service, the determination thereof made by the Engineer of the County shall be final and conclusive as between the parties.

The services shall include the enforcement of any applicable State statutes and all provisions of the above referred to city ordinance as the same now exists or may be hereafter amended.

The services shall include the inspection of open sanitary fills only in the event that the city, by action of its Council, requests such services.

2. To facilitate the performance of said functions it is agreed that the County shall have full co-operation and assistance from the City, its officers, agents and employees.

3. For the purpose of performing said functions, County shall furnish and supply all necessary labor, supervision, equipment and supplies necessary to maintain the level of service to be rendered hereunder.

Notwithstanding anything hereinbefore contained, it is agreed that in all instances wherein special supplies, stationery, notices, forms and the like must be issued in the name of said City, the same shall be supplied by said City at its own cost and expense.

4. All persons employed in the performance of such services and functions for said City shall be County employees and no City employee as such shall be taken over by said County, and no person employed hereunder shall have any City pension, civil service, or any status or right.

For the purpose of performing such services and functions, and for the purpose of giving official status to the performance thereof where necessary, every County officer and employee engaged in the performance of any service hereunder shall be deemed to be an officer or employee of said City while performing services for said City, which services are within the scope of this agreement and are purely municipal functions.

5. City shall not be called upon to assume any liability for the direct payment of any salaries, wages, or other compensation to any County personnel performing services hereunder for said County, or any liability other than that provided for in this agreement.

Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee for injury or sickness arising out of his employment.

6. County, its officers and employees, shall not be deemed to assume any liability for intentional or negligent acts of said City or of any officer or employee thereof, and said City shall hold said County and its officers and employees harmless from, and shall defend said County and its officers and employees against, all claims for damages resulting therefrom.

7. This contract is entered into with the understanding that the City will maintain in full force and effect, including the amount of fees provided, an ordinance substantially identical with the provisions of County Ordinance No. 6130. This contract may be terminated by the County without necessity of notice if City does not enact amendments to said ordinance in accordance with amendments to County Ordinance No. 6130 within one hundred twenty days after request to do so by County. The County Engineer, acting on behalf of the County, may use discretion and need not request City to adopt amendments which do not apply to the City or its problems.

8. County agrees to collect fees called for in the City's ordinance and to account therefor to the City quarterly. County agrees to pay City, within sixty days following each calendar quarter, all of the excess over expenditures for services, and City agrees to pay County, within said sixty days, any deficit between expenditures for services and total fees collected. Expenditures for services, for the purpose of this agreement, shall be the entire cost to the County of performing each such function, including salaries of employees engaged in performing the service, as well as vacation, sick leave, retirement,

workmen's compensation insurance premiums, supervision over such employees while so employed, traveling expenses and supplies, plus a pro-rate of indirect expenses. If the cost for providing the service is changed, the City shall be notified of such change, in writing.

9. It is further agreed that the City shall not be charged for periodic inspections of facilities for pretreatment of industrial waste prior to discharge into sanitary sewers in the event that the cost of such services has been defrayed by funds of a sewer maintenance district.

10. The County agrees to keep such books and records and in such form and manner as the County Auditor of the County of Los Angeles shall specify. Said books shall be open for examination by said City at all reasonable times.

11. This contract shall become effective on April 21, 1964, and shall continue in full force and effect until June 30, 1964. This agreement shall be automatically renewed from year to year for successive one year periods thereafter unless either party hereto gives written notice of intent to terminate not less than two months prior to the annual renewal date, in which event the contract shall not be renewed for the succeeding year but shall terminate at the end of the then current annual period.

IN WITNESS WHEREOF, the City of HAWAIIAN GARDENS, by resolution duly adopted by its City Council, caused this agreement to be signed by its Mayor and attested by its Clerk,

and the County of Los Angeles, by order of its Board of Supervisors,
has caused these presents to be subscribed by the Chairman of said
Board and the seal of said Board to be affixed thereto and attested
by the Clerk of said Board, all on the day and year first above
written.
